

IN THE DRAWINGS:

Applicant has proposed an amendment to FIG. 5 and has included a replacement sheet with the changes incorporated. In particular, the amendment to FIG. 5 replaces the language in the second box of the flow chart with the following text: "ADD (SUBTRACT) DESIRED DATE FILE IN CYYDDD (YYYYDDD) FORMAT". The amendment also replaces the language in the right-most box of the flow chart with the following text: "ADD (SUBTRACT) 635".
